

# Absentee Ballot Request

Roosevelt Island Residents Association

Roosevelt Island Residents 18 years and older shall be eligible to vote for President and for Vice President. Residents are also eligible to vote for Common Council Members from the district in which they reside.

The absentee ballot will be placed in a sealed envelope which is then placed in another sealed envelope, which is signed and shows name and full address, including apartment number. After verifying that the person did not vote on Election Day, the outer envelope will be opened and the inner envelope placed with all other absentee ballots to be opened at the close of polls and counted along with all the regular ballots.

Absentee ballots are available for RIRA elections only, not for RIOC elections. Absentee ballots must be requested before October 20, 2012 and must be returned to the Elections Committee as indicated on the outer envelope not later than November 5, 2012.

Please request an absentee ballot by mailing or depositing a copy of this form to the attention of Mark Lyon, 30 River Road, Apartment 9F, New York, NY 10044, by calling (212) 202-0343 or by emailing [mark@marklyon.org](mailto:mark@marklyon.org).
